Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322.

Inspection of the application for the patent reveals, however, that in connection with the alleged error pertaining to claim 1 and claim 3 of which applicant has referred; there is no variable R6 or R7, the variables are R⁶ and R⁷. Additionally the proposed change is not described in the specification with respect to the genus. Accordingly, the patent with respect to applicants request is considered in accordance with the record in the Patent and Trademark Office.

In view of the foregoing applicants request in this matter is hereby denied. Any telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
